Dear Parents

We hope you have enjoyed the summer holiday and are looking forward to seeing you in September.

We are proud of our pupils, of the way they have worked through lockdown, how they adapted when school re-opened in July and, especially, of their academic successes. We have enjoyed celebrating with our A level and GCSE pupils in recent weeks.

All pupils will be back in school full time in September, and therefore we have reviewed the new Welsh Government guidance and have put further safety measures in place so that we can still keep pupils safe once everyone is back on site at the same time. Pupils will remain in the same teaching group apart from options, interventions and specialist provision; start times, break times and lunch times will be staggered and, each year group will have a zone to go to during break and lunch times. These measures will reduce the number of different people each pupil comes into contact with and minimise the chance of pupils coming into contact with pupils outside of their own year group. Accelerated learning provision will be in place to support pupils who have found it difficult to make progress during the lockdown. The existing hand washing, sanitising and one-way systems will remain in place for all pupils.

All pupils need to be in full school uniform. Pupils must bring their own equipment (e.g., pen, pencil, ruler, and eraser) to school in their school bag and take responsibility for bringing this every day. Pupils will not be able to borrow equipment from staff or friends and will need to take their books home with them. School lunch service will resume on Monday 7<sup>th</sup> September. Please use Parent Pay to top up your child's account. (They will not be able to top up in school with cash).

Further information is available on the school website and you can translate it by pressing the 'world' symbol  button on the top menu.

Thank you for your continued support in ensuring our children learn together to be the best they can be.

Yours sincerely
