Dear Parents

We are looking forward to being able to see pupils in school and have been working hard to make sure that school is as safe as possible for all of the Fitzalan community.

Thank-you for all of your responses to our parent questionnaire. Please find attached, answers to all of your questions.

As we continue with our preparations for opening the school to pupils on 29th June, please remember that copies of our parent letters and all other return to school information can be found by clicking the return to school button on the home page of the website. All information can be translated into a wide variety of other languages by pressing the 'world' symbol on the home page and selecting the language you want.

To help us communicate effectively with you, please can you make sure that we have a working email address and phone number for you. Please contact your child's Head of Year.

Please can you make sure that your child's Head of Year knows if your child is returning to school this term.

You can also sign up yourself and your child to the SIMS parent and pupil apps: please email slg@fitzalan.cardiff.sch.uk or contact Mr L Morgan to receive a registration code.

Before your child returns to school, they will be emailed a timetable and an information booklet outlining the processes and behaviour that everyone will need to follow to keep everyone safe in Fitzalan. There will also be a copy on the website along with a welcome back video.

Please make sure that your child has a packed lunch and a drink to bring to school: if you are in receipt of free school meals, the current direct payment arrangements will continue.

Your child does not need to bring any equipment with them to school on their first day: they will be given a study pack with an exercise book, and the stationery they need. They need to look after their own study pack and bring it with them each day they attend school.

Please do not send your child to school if they are unwell with symptoms of COVID-19 (a new continuous cough, a high temperature or a loss of taste or smell) or if anyone in your household has symptoms of COVID-19 or has tested positive for COVID-19 in the last 14 days.

We are working hard to make sure Fitzalan is a safe, secure and effective learning environment for your child's return.
