Homework

Your child will be set regular homework. This may take various forms e.g. written work, research and preparation, thinking or project work. Please try to ensure that your child has a suitable place to work. Encourage them to plan their time and not to leave homework until the last minute. Homework support is available after school with Pupil Achievement Leaders.

Study Support

There are opportunities for study support both in and out of school. In school, pupils can use the well-resourced school library at break, lunch and after school. Pupils also have access to computers at lunchtime and in various homework clubs.

Out of school, various community groups run homework clubs. In addition local libraries offer support, resources and free internet access.

Extra-curricular activities

A whole range of extra-curricular activities run both at lunchtime and after school. There is a free bus at 4.30 pm on Monday, Wednesday and Thursday. Full details are displayed on notice boards in form rooms and around the school. We encourage all pupils to participate.

Contact us

If you have any concerns about your child, please contact us as soon as possible. It is usually best to contact us by telephone or email; we will then be able to find a convenient time to meet with you. This will mean that we are able to give your concerns the time they need.

If you feel that the issue needs immediate attention please make that clear when you telephone.
