

24<sup>th</sup> November 2020

Dear Parent/Carer

The Year 9 Options Information Evening is due to take place on Monday 30<sup>th</sup> November. Before that date please click on the link below to see a presentation outlining the process that pupils will follow over the next few months to make their options choices.

We are hoping that if you have any questions following these presentations you will join us on 30<sup>th</sup> November for a series of live Question and Answer sessions where you will be able to link to a specific subject area and ask any questions that you have.

Details for the Q + A sessions will be sent separately and will also be available on the school website.

This is the first time we will be attempting this kind of event and we hope that it will still provide lots of useful information to you and our pupils, despite the restrictions that have to be in place.

All pupils will also be shown how to access the links on the various days.

If you anticipate any issues please contact myself or Mrs Jones who will try to assist.

Yours sincerely
